THE departments of this School have been filled and extended by the appointment of the Hon. THOMAS B. MONROE, who has long been a successful instructor in various branches of the Law, to the professorship he has accepted. The faculty therefore consists of The Hon. GEORGE ROBERTSON, (late Chief Justice of Kentucky,) Professor of Constitutional Law, Equity, Juris-prudence and Pleading, and the Law of Comity. The Hon. THOMAS A. MARSHALL, () e Chief Justice now Judge of the Court of Appeals of Ky.,) Profes

sor of the Common Law, Elementary and Practical, including Pleading and Evidence.

The Hon. THOMAS B. MONROE, (Judge of the U. S. District Court for Kentucky.) Professor of Civil, National, Criminal and Commercial Law. And I. C. JOHNSON, Adjunct Professor, who will attend the class in the casual absence of the regular Professors.

The winter session of this School will commence, as usual, on the 1st of November, and will be prolonged to five instead of four months, as heretofore. This extension of the session will enable the Professors to give a more extensive and thorough course of instruction, which will be carried on

principally by daily examination in designated portions of the text books, with such explanations and illustrations as may be deemed necessary, and also by Moot Courts, for pleading and the discussion of legal questions, and by requiring from the students written exercises in drawing up bonds, deeds and other legal instruments, arguments and opinions. The attention of the students will also be specially directed to the history of Jurisprudence, and to Civil History as connected with the progress of the Law, and to the Federal Courts. The books will be principally such as have been heretofore used, to be furnished by the students. The extension of the session and of the course of instruction will produce some increase in the cost of the Professor's tickets, the particulars of which will be hereafter announced. It is expected that there will be a second session of five months in each year, and in fact that arrangements will be made for a continuance of regular study and exercises during the whole year, by such students as may desire it. Diplomas will be granted at the end of each session to such as are found qualified to receive them.

W. MEREDITH. HARDWARE AND CUTLERY, FALL STOCK FOR 1852. THE undersigned are now in receipt of their entire stock of HARDWARE and CUTLERY for the Fall Trade, and in ealling the attention of the merchants of Tennessee, Kentucky, and North Alabama, to their stock now in store, they feel confident that it will be found to compare favorably, both as to quantity and assortment, with that of any other House in the country.

Experience has already demonstrated to the satisfaction of a large majority of dealers in this section of the country, that in the article of *Hardware at least*, the Nashville market is preferable to those of New York and Philadelphia; for ket is preferable to those of New York and Philadelphia; for the simple reason that this description of goods will not bear the heavy expenses of transportation which must nec-essarily accrue when brought through by canals and rail-roads. The undersigned are also enabled to place their cus-tomers on an equal footing with those purchasing in any oth-er market, from the fact that their European goods being all imported direct from the manufacturers by way of New Or-leans without touching New York, thus enabling them to of-for their goods at a small advance on importation cost. DR. BLEDSOE'S ALTERATIVE COMPOUND

DR. BLEDSOE'S ALTERATIVE COMPOUND

The Remedy over all Remedies for the Diseases of the Lieuw Dyspepsia, Enlargement and Inflamation of the Splain Hearburns, Colic Platalence, Piles, Constingation, all diseases of the Bowels, and such diseases as arise from a disorderal state of the Stomach, Liver or Bowels, as Scrofula and Sores of any kind. For General Debility, from which Ladies frequently suffer, there is not its equal in the whole Materia Medica.

The inventor of this preparation was for three years a completely prostrated from Dyspepsia and inactivity of the Liver that he was frequently for weeks at a time unable to raise himself from his bed. He sought aid from physicians at home and in Europe, but in vain; his case was pronounced hopeless by thousands, and it was by accident that he succeeded in curing himself. Since he has been practicing medicine, his success in such cases has been unrivalled. He has been aware of the incredulity of the public, and consequently said nothing through the press of his own case, until the character of the medicine was fully established by its success, as shown by the certificates which have been advertised.

I subjoin the certificate of Prof. M. GABBERT, of Me mphia, Tenn., with whom I often advised during the time of my MEMPHIS, Tenn., April 17, 1952. I hereby certify that I have been acquainted with Dr.J. N. Bledsoe and some years ago he was reduced I believe

Dr. Burpson: -I take the liberty and fell it to be my duty Dr. Bledson:—I take the liberty and left it to be my dusy to recommend to all persons suffering from disease of the stomach and bowels, your Alterative Compound, as a very seperior medicine. My son, aged 15 years, had been under medical treatment about five years for dyspepsia and diarrhea—when having almost despaired of his recovery, I concluded to try your Alterative, two bottles of which, I believe entirely cured him.

MICAJAH CAYCE.

Dz. Bledson —Some time has elapsed since I gave a certificate that my wife had been greatly benefited by your Alterative Compound. I now take pleasure in saving to the public, that my wife had for three or four years been subject to the worst kind of spells of cramp in the stomach from dyspepsia. I had tried of several whom I thought to be the best physicians in the place and a great many different medicines, with momentary relief. Being persuaded to try your alterative compound, I did so—and I am happy to say that it has entirely cured her; and I would conscientiously recommend it to all persons suffering from diseases of the liver and dyspepsia. N. B. ROBERTSON.

HUNTSVILLE, Sept. 29, 1851. Dr. Bleisor-Having seen the publication of your Alterative Compound, I think it my duty te say to the public, that I had been for years subject to spells of Cramp Colic, in its worst form; that I had tried almost every thing that is given by physicians, and never found any thing that would certainly relieve me, until I tried the above medicine, which nas

recommend your Alterative Compound. It has entirely re-lieved me, so that I have not had cause to take anything in two months. I can eat anything I want with impunity, and believe my health is as good as it ever is at my advanced age. Should I ever suffer from dyspepsia again I shall be sure to call on you. I am very respectfully your friend.
